Ref. BF-SPLIT

User manual:

A unique product for air conditioning units on bracket.

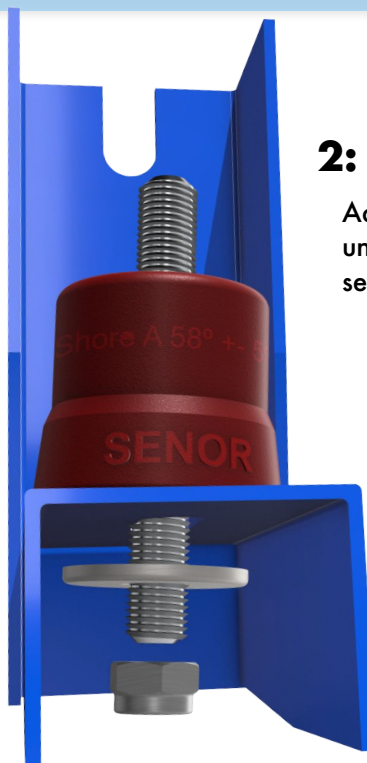

1:

Put the mount **BF** on the metal bracket which will support the unit.

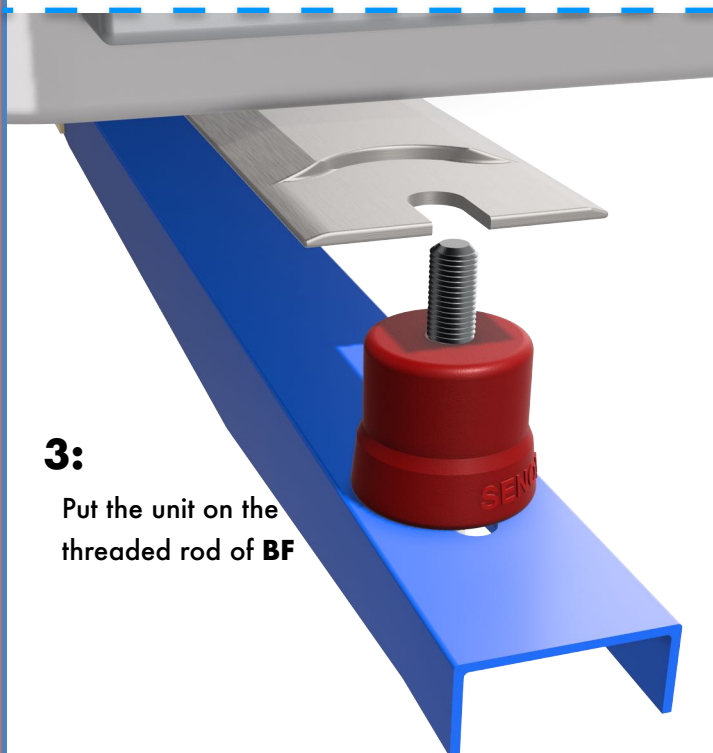

2:

Adjust the **BF** in the SPLIT unit using a washer plus a self-locking nut.

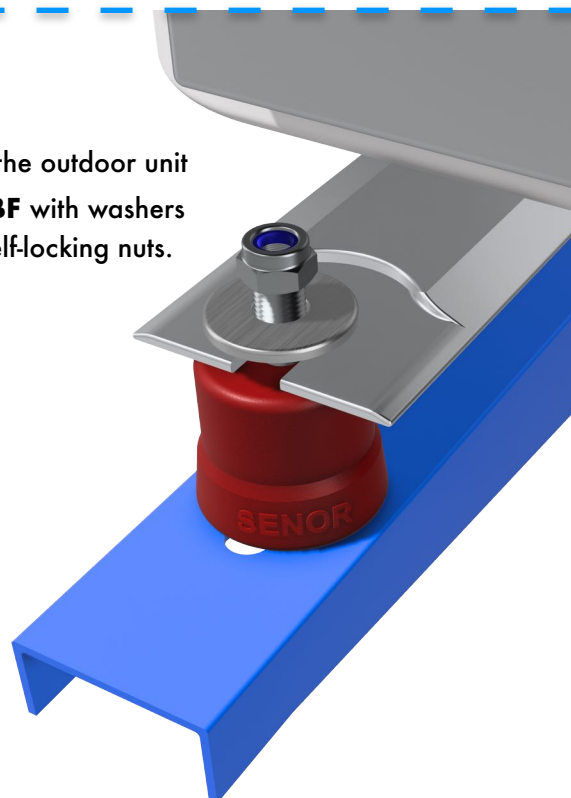

3:

Put the unit on the threaded rod of **BF**

4:

Attach the outdoor unit to the **BF** with washers and self-locking nuts.

Relevant information

This product is provided with self-locking nuts to not tighten the nuts and leave the rubber without tension.
